Line Dancing

**Brand new Absolute Beginners Linedance class. Starting 08/05/2025, 7-8pm
Joydens Wood Community Centre
Birchwood Drive, DA2 7NE**

If you've never Linedanced before but want to learn (country is cool again), then come join us on a Thursday evening. You'll learn all the basic steps whilst actually dancing to some fantastic music, at a pace that suits those who have never Linedanced before. You don't need a partner, come with friends or on your own, we're a really friendly bunch. The class is 7-8pm for £6, or you can stay till 9.30pm which is the improver/intermediate (with easy ones thrown in every now and again), and see what level you will get to. You can even get in the middle and give it a go. To stay for the whole evening it's £8. We do weekends away, social nights and lots more. It's great exercise, brilliant for your memory and great for your social life.

If you're interested send me, Michelle (your teacher), a message on 07894 645628.
